Cock Abuse!

Confessing to your husband can lead you down unexpected paths. Having a row one night, I told him I had shagged two guys a couple of weeks ago. He'd had no idea I'd been unfaithful.

A few days later he came up with a suitable punishment and took me for a drive to a 'dogging' area – a place where couples fuck in cars as blokes watch and wank. I'd been instructed to dress like a complete bitch on heat and was to wear knee high boots, a short red PVC mini, a tight black top – and no underwear.

My husband switched on the interior light and wound down the windows so that any horny guys could reach in and rub or grope me if they wanted.

I heard footsteps and turned to see a man peering in. Before I knew what was happening, hubby was pulling down my top to show the guy my stiff, rubbery nipples.

"Can I wank over you?" the man asked.

"Yes please," I replied, spreading my legs for him. Hubby knew what I wanted and stabbed a finger up my sopping wet gash.

The man reached in for a feel and squeezed my tits. He did it gently at first, then got gradually rougher with them – just the way I like it.

I was in ecstasy and wanted more, so I turned over and stuck my arse out of the window.

"Do me now," I told the man. He positioned his cock against my sopping wet cunt and stroked it in and out of me as I screamed with lust. Our little display soon attracted attention and my hubby called over another guy to watch me getting

fucked.

By this time my cunt was like a wet sponge and the whole of my arse was sticky with juice.

The man finally withdrew and pumped his cum all over my PVC skirt.

I scooped up some of his sperm with my fingers and tasted a little, letting the rest dribble down my chin.

But this had just got me started.

Suddenly I wanted more cock and I told the next guy who came along that my arse felt good and slimy with stranger's spunk.

"Let me fill it up for you," he said, so I pushed my bum back out of the window and spread my cheeks.

Guy number two licked my sodden holes. He slurped up my nectar and fingered my tight wet arse for size.

After a minute or so of fingering, he edged his fat cock into my puckered ring inch by inch.

I howled at the pain but hubby told me to take it and before long the guy was humping my shitter for all he was worth.

His balls slapped against my wet pussy with a 'thwacking' sound and my hubby kissed me on the lips as the guy blew his beans all over my arse.

"You're not finished yet," my hubby told me, and pointed to four other guys waiting outside for their turn.

By the end of the night my pussy and arsehole had been fucked so much that I was walking like John Wayne the next day. What a punishment!

The Froth Amendment!!

When I was staying at a friend's house a few weeks back, she said she had to pop out and run a few errands for an hour or two. I asked if I could have a shower while she was away and she said sure, so as soon as she'd gone, I stripped off and stepped into her tub.

I hadn't bothered to lock the door because I never did at home.

Besides, her boyfriend was working in the back garden and I was secretly hoping he'd walk in and catch me while I was all naked and soapy.

I'd only been in there a

couple of minutes when I heard his feet in the stairs. I began masturbating furiously and praying that he'd open the door, but instead he headed for the bedroom. I was really disappointed and just finishing myself off when suddenly he walked in and caught me red-handed.

I pretended to be all embarrassed and apologised for not locking the door, and even made half a pretence to cover myself up, but then I noticed that Jimmy himself was naked.

"Room for one more?" he asked and I felt his eyes all over my body. I looked down at his dick and saw it suddenly twitch.

It took less than ten seconds to rise completely but

"I'd always been cleanly shaven, but my current boyfriend loves a bit of hair down there. He's quite a bit older than me so I guess he's old school. Since I started growing it out he spends most of his time with his face between my thighs. I'm all for it, I get regular orgasms and I save 10 minutes every morning not having to shave!!!"

"Hiring my wife as my secretary was the best thing I've ever done, and the tax savings is the least of the advantages on the long list of benefits. Blow jobs under the desk when I'm on conference calls and fucking her in the arse while she's bent over my desk on my lunch break take the top spots! I think she's definitely a keeper!"

REAL WIFESEX

ALFIE'S SECRET STASH OF NAUGHTY DVDS!

My boyfriend and I have been together for seven months, and we've tried just about everything when it comes to shagging. From reverse cowgirl to standing, from outdoor danger sex to the mile high club, nothing seemed new anymore, until we started playing around with different types of food and drink, a la 9 ½ Weeks.

Iain started it all when he decided, one day, that it would be a good idea to go down on me with an ice cube clamped between his teeth. After stiffening my nipples and teasing my body with it, he ran the freezing lump slowly across my clit, smiling as my pussy immediately spasmed – a sign, in his eyes, that he was doing everything right – but the

biting cold only made me lose sensitivity. Once he'd decided I was nippy (and nippy!) enough, Iain began to warm me up again with his tongue. The minute I started groaning and whimpering, he popped the ice cube back in his mouth and froze me again! We went on like that for about an hour, until his mouth was so cold that I could hear his teeth chattering! I must have cum six or seven times, and my pussy tingled like mad from the curious mix of hot and cold sensations for ages afterwards.

So how did I pay him back? Easy.

Iain

loves it when I suck his cock (show me a man who doesn't!) and I like to think I'm pretty good at it. I can't deep throat, but I don't mind the taste of spunk and quite often I love to let Iain cum down my throat while I look him straight in the eye.

That usually makes his balls explode. But I wanted to get him back, right?

So, I walked through to the kitchen on shaking legs and came back with the absolute ultimate: crème de menthe. If he was going to freeze my pussy, I was going to warm his dick up! I swigged a mouthful of the cool but fiery liquid and swished it around my mouth, then enveloped his circumcised cock with one gulp. The air hissed through Iain's teeth as the mixed sensations of cold liquor and hot mouth surrounded him. Then, as the booze started to warm up on his helmet, I began to slide my mouth slowly down his shaft, swallowing as much of his length as I could fit in my eager gob.

Iain doesn't have a massive

cock (I've never measured it, but I reckon it's about six inches long and quite thick), but I still can't seem to get it all in my mouth.

There's always that couple of inches at the base that don't make it in. Not tonight.

Maybe it was the booze relaxing my throat, I don't know. Whatever it was, I just found that my mouth slid further and further down his cock until my nose nestled in his pubes. I could tell Iain was impressed from the way he leant back on the propped up pillows and said, "Fuck!"

He arched his back, pushing his cock and balls as far into my face as he could.

I pulled my head back, almost releasing his prick totally, and then moved my hands to either side of him on the bed so that our only physical connection was his cock firmly planted in my mouth. Iain loves it like that, and he started to gently slide his cock in and out of my mouth, moving in rhythm with me. I took as much of him as I could, puffing my cheeks out and letting him fill my mouth with his pulsing rod. His cock was the hardest I'd ever seen it; I could feel every ridge and vein as it slipped along my tongue and towards the back of my throat.

As Iain started to get a little carried away with his thrusts, I pulled away and took another small sip of the liqueur, swirling it around my mouth. Then I engulfed his shiny helmet again, and concentrated on that for a few minutes, running my tongue over its silky smooth surface and dipping my tongue into his little cock slit. Droplets of pre-cum coated my tongue, although the salty liquid stood little chance on my taste buds compared to the all-powerful crème de menthe!

Iain was starting to pant now, and I knew he was getting close.

Lying on my stomach between his legs, I grasped his shaft at the base and started to suck him off properly. I slid my mouth down the length of his prick and drew it back up, brushing my firmly closed lips against the ridge of his helmet. I felt Iain's legs tremble beside me, and sped

up my action. My mouth slurped on his cock, and I felt his hands holding me either side of my face, as he willed me on.

I increased my grip on his cock and started to wank him into my mouth in time to my cock sucking action. I felt Iain's cock grow in my mouth and his straining helmet banged against the back of my throat.

Within a couple of strokes, Iain announced in a strangled voice that he was cumming, and I relaxed my grip slightly to let him ejaculate.

Thick, hot streams of cum exploded into my mouth, and I cradled each spurt in my tongue as it hit, keeping it all.

The thing was, I couldn't taste any of it thanks to the liqueur, so as Iain's spasms decreased, I continued gently sucking until I'd taken his entire load into my mouth. I pulled my face away and slipped a finger into my mouth, pulling out a long, silvery string of his spunk. I wrapped it around my mouth, looked him in the eye and then knocked my head back, swallowing the lot.

I am pleased to say that, for once, Iain was utterly speechless!

Crème de menthe is still our favourite but tonight we're going to try out some cool liqueur coffee on my pussy! Yum!

when it did was enormous. "You want me to wash that for you?" I asked, dropping my hands away from my body so that he could see everything. "I thought you'd never ask," he replied, stepping in to join me. I squeezed some shower gel into my hands and rubbed it into his rigid prick, working it to a rich soapy lather as the steam rose around us. I worked the bubbles around his helmet and underneath his bollocks, dropping down to my knees for a closer inspection, then rinsed the whole thing off under the spray. "What would you like now?" I asked, gently pulling on his stiff meat Jimmy nudged his prick against my lips and I opened up and let him feed his long shaft inside until I had the lot in my mouth.

"Faster," he told me so I tightened my grip yanked on it as hard as I could. I could taste cum in my mouth already and started swallowing instinctively. I slurped all over his hardon with my lips and swirled my tongue around his head as I wanked him into my throat. Soon he was holding my head and grunting. A second later cum burst all over the back of my throat. I milked his prick for every drop as he squirted in my face and I swallowed the lot down with a great gasp of satisfaction. My own orgasm shook me as I drank the last of his squirts and the pair of us washed each other down as the tingles subsided. Jimmy suggested we kept this to ourselves and we got dried and dress before my friend got back. She still doesn't know what happened with me and her boyfriend but I don't think she'd be too angry with me for sucking him off. That's what I tell myself anyway!

I sucked on his fat cock as he thrust backwards and forwards against my face, and wanked the base of his stick with my dainty fingers. The water poured trickling over my cunt and ran down my arse and I used the fingers of one hand to play with my pussy as I thrashed Jimmy's cock into my mouth with the other.

Leg Over, Sleep Over!!!!

Happily married for three years, my husband and I have a very 'normal' sex life. However, what started out as a game led to a sexual awakening in me. My daughter brought her boyfriend home about six

years ago. Bill struck me as a pleasant lad, obviously out of bounds, so I never thought about him in that way. One day at a barbecue though, he was bemoaning the fact that it was a hot afternoon and that he hadn't brought his shorts. My daughter told him not to be silly and just strip down to his pants. "Mum won't mind." I carried on tending the garden but as I did so, I noticed one of my nipples was showing through a gap in my blouse. It was then that I saw Bill had a huge bulge in his pants. Bill turned crimson with embarrassment, but I got a real kick out of knowing I was turning him on. Over the coming months, whenever Bill stayed over, I found myself deliberately giving him little flashes of my

"I love it when my husband creams all over my tits, it's just a shame that it's only shower gel covering my boobs! It won't be long until every inch of my body is covered in sticky warm cum though! I'm a proper full-on slut for spunk!"

We caught up with Faye on our recent trip to Prague and it's fair to say that she'd had a few drinks by the time we got to meet up with her! "When you're away on holiday anything goes, right?" Of course! "Great, well I've had some strong Czech beer and I'm super horny, so can we stop all of the chitter chatter, and can anyone help me take my knickers off?"

KYRA

Kyra would love to have bigger boobs, but we re-assured her and told her that she was born with the rest of the package! "But I want to be able to wank off a massive cock in between my tits and slurp up all of that cum from my face." We won the argument when we told her that having big or small boobs had nothing to do with how much cum is ejaculated on your face!

Fiery hot porn vixen Liv is a welcome new face at Escort, and it isn't hard to see why. We were lucky enough to be invited to petite babe's bedroom where she stripped down to her bare skin (as all Escort girls are known for doing!), teasing us along the way with peeks of her small tits and shots of her pussy between her thong. But the highlight for us was getting to witness her manicured fingers playing with her wet snatch until she came all over them, cheekily asking our photographer if he wanted to lick them clean!

three fingers. I had to touch his cock, as I might never get another chance, so I reached out and grasped his shaft. It was so fat that I couldn't get my fingers all the way around it.

I leaned forward and touched his purple head with the tip of my tongue.

Bill went on 'sleeping', so I drew the rest of his cock into my mouth and rubbed my tongue up and down his length.

His body stiffened and I could hear his breathing quicken, but Bill still didn't move.

I sucked on his cock and fingered my pussy as I squatted next to him, but I wanted to feel his fingers inside me, so I grabbed his hand and moved it between my legs.

He slipped three fingers straight up inside me and used his thumb

on my clitoris.

I used my now-free hand to caress his balls as I wanked him into my mouth with the other. He sighed as my hand tugged faster and faster at his stiff little prick.

His hips started bucking and very soon he stiffened and shot his wad in my mouth. Believe it or not, this was the first time I'd ever swallowed cum, but I didn't know where else he could shoot it, so I gulped it all down and came myself as it ran down my throat.

The moment I'd finished cumming, I rushed out of the room all embarrassed and neither of us mentioned it again.

Now I want to be dominated and seduced by another large-breasted lady and possibly her husband. I also want a big juicy cock to surrender to on a secluded beach, all with my husband's blessing. Drop me a line, do.

rude bits.

I would lean forward when offering him a coffee so that he could see straight down my top and once I bent over in front of him in my short nightie.

Often, in return, he would leave the bedroom door ajar and treat me to a quick flash of his penis when I walked past.

Both of us knew what we were doing, but both of us kept up the pretence, as this added to the excitement. Things escalated when we put Bill up temporarily.

We gave him the sofa-bed in the lounge and I would always get up early to put the kettle on.

As I leaned over to put his coffee down next to him, my breasts flopped out and all at once, 'in his sleep' he threw back the duvet to expose a huge erection. I looked at his beautifully long penis, with his foreskin pulled back and his heavy, hairy balls swollen and this was too much for me.

So I slipped my gown open and stroked my clitoris with
